

The Vinopolis Wine Challenge

Is it really possible to guess grape variety, country of origin and vintage simply by tasting a wine?

Our most popular package, designed to educate your palate, the Vinopolis Wine Challenge is perfect for a light hearted team building event with a competitive twist.

Arriving at 6.30pm, guests can relax with a half hour sparkling wine reception. At 7pm a Vinopolis wine guide will show guests how to sniff, swirl and slurp in a 'How to Taste Wine' session. Guests will then go on to taste 6 different styles of wine including 3 whites and 3 reds, determining key features such as appearance, nose and palate under the guidance of their Vinopolis wine host.

Participants will then be challenged to put their newly acquired skills to the test in a blind wine tasting of 2 wines. Guests will be asked to identify on score cards the grape variety, vintage and country of origin of each of the wines.

The guest with the closet answers will win a bottle of Nicolas Feuillatte Champagne.

The Vinopolis Wine Challenge is a flexible package, that can be designed to suit your event needs. Each guest also receives a Cellar Book and wine tasting notes to take away with them.

This event can also be upgraded to Champagne or a fine wine challenge*

In addition, rather than receiving a bottle of Champagne, why not spoil your guests with a luxury hamper packed full of delicious delights for just £70.
