

## The Vinopolis Wine Challenge and Summer Barbecue

Our brand new barbecue package offers a great solution for summer away days, combining our most popular wine challenge with a delicious barbecue on Brew Wharf's terrace.

On arrival guests can enjoy a half hour sparkling wine reception. Following this a Vinopolis wine guide will teach guests how to sip, swirl and slurp like a true professional in a 'How to Taste Wine' session. Guests will then go on to taste 6 different styles of wine including 3 whites and 3 reds, determining key features such as appearance, nose and palate under the guidance of their Vinopolis host.

Participants will then be challenged to put their newly acquired skills to the test in a blind wine tasting of 2 wines, identifying vintage, grape variety and country of origin. The guest with the closest answer will win a bottle of Nicolas Feuillatte Champagne.

After their wine challenge guests can relax with a delicious barbecue cooked to perfection in front of them on Brew Wharf's terrace. Corporate groups can pick 3 options from the below selection of 5 and one vegetarian option\*.
